OPEN ARCHIVE COLLECTION

THE ULTIMATE
FLOORING EXPERIENCE

This sweeping collection offers a modern twist on iconic styles. Informed by art, architecture and fashion, the Open Archive Collection elegantly updates classic looks, ushering in a new age of chic.

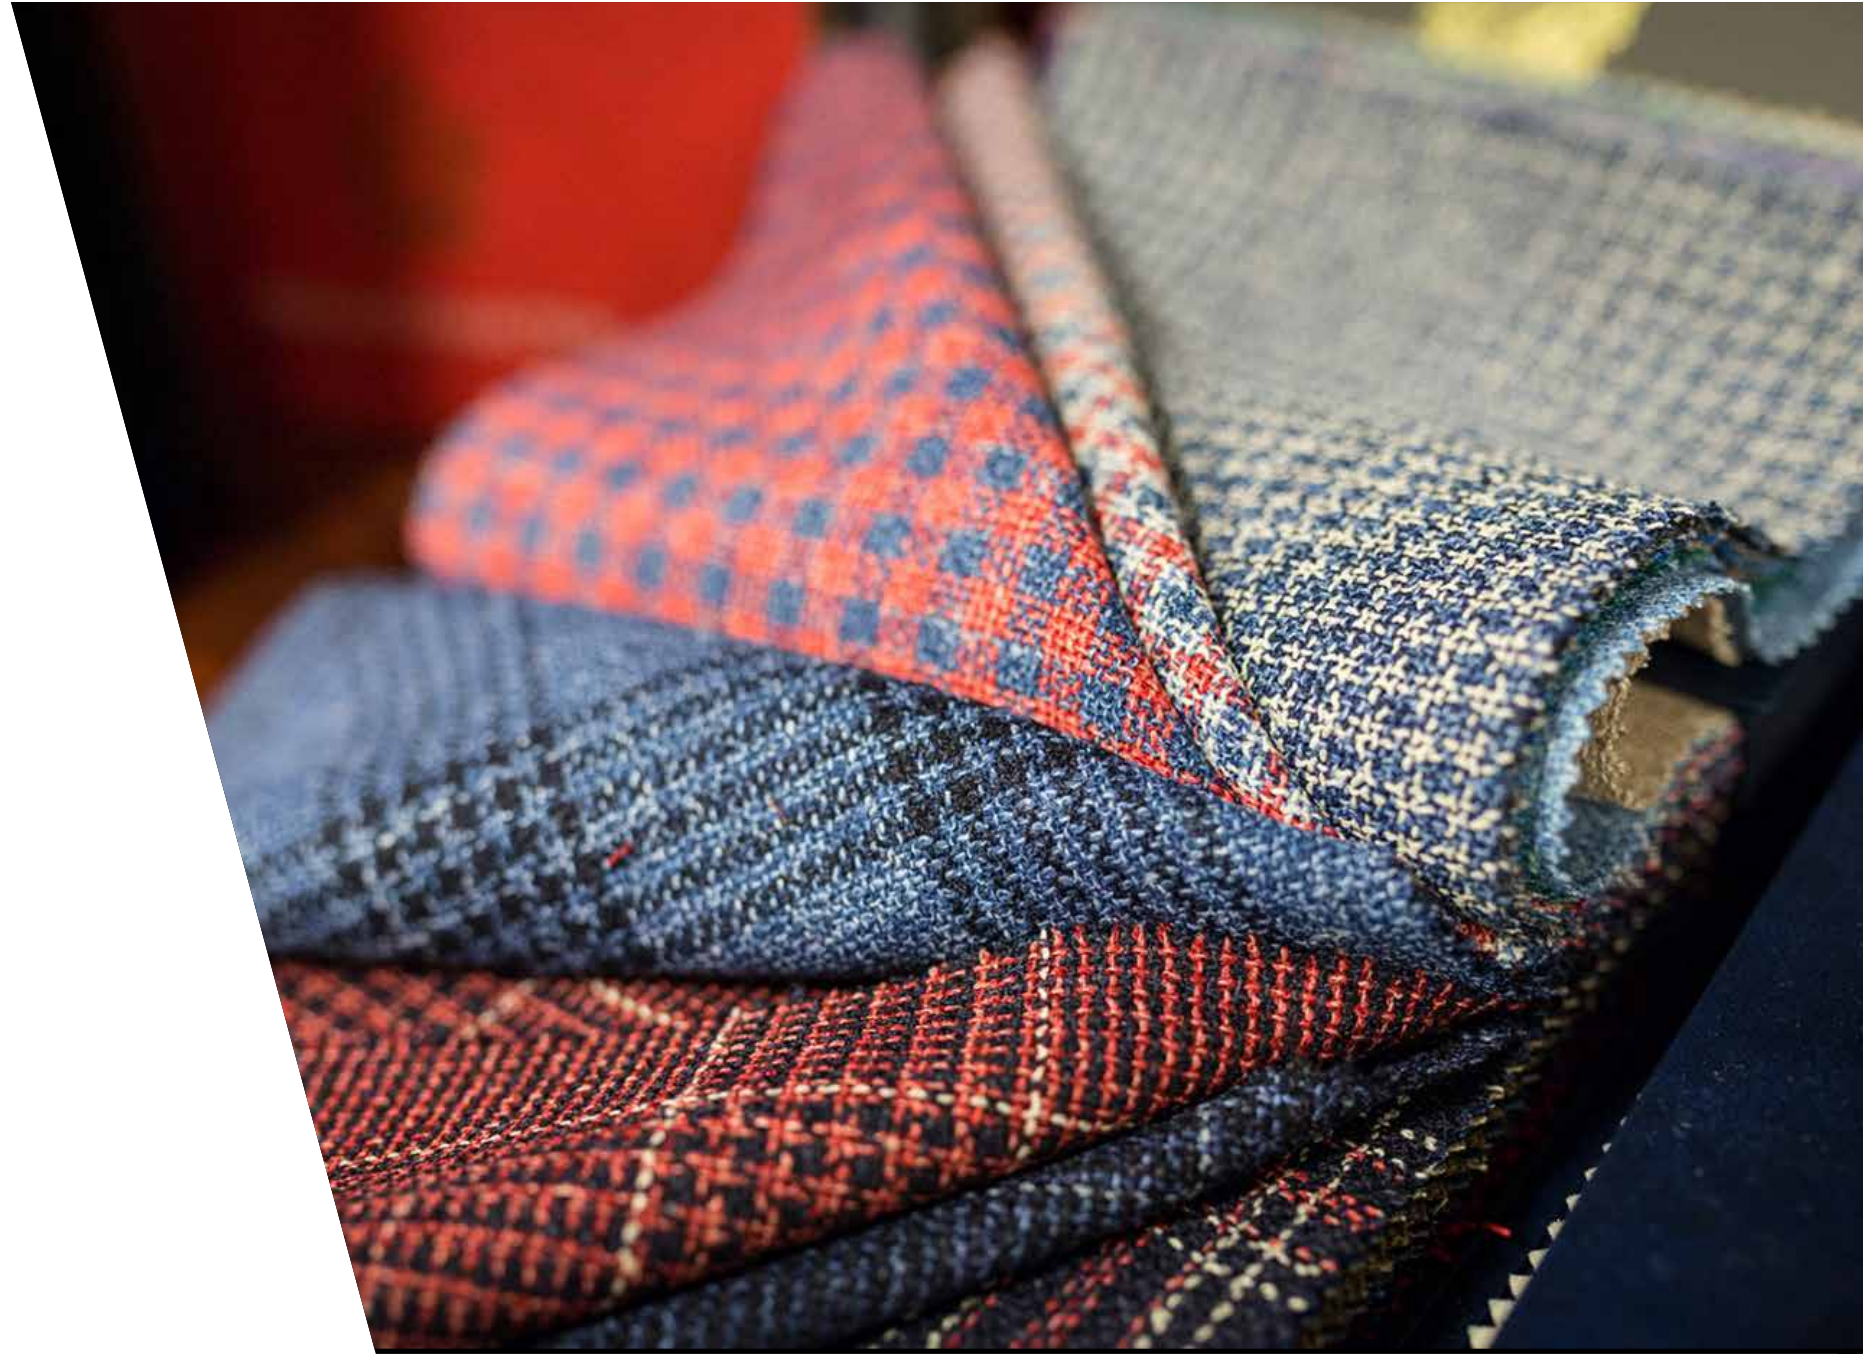

GEOKNIT - SATURATED GREY

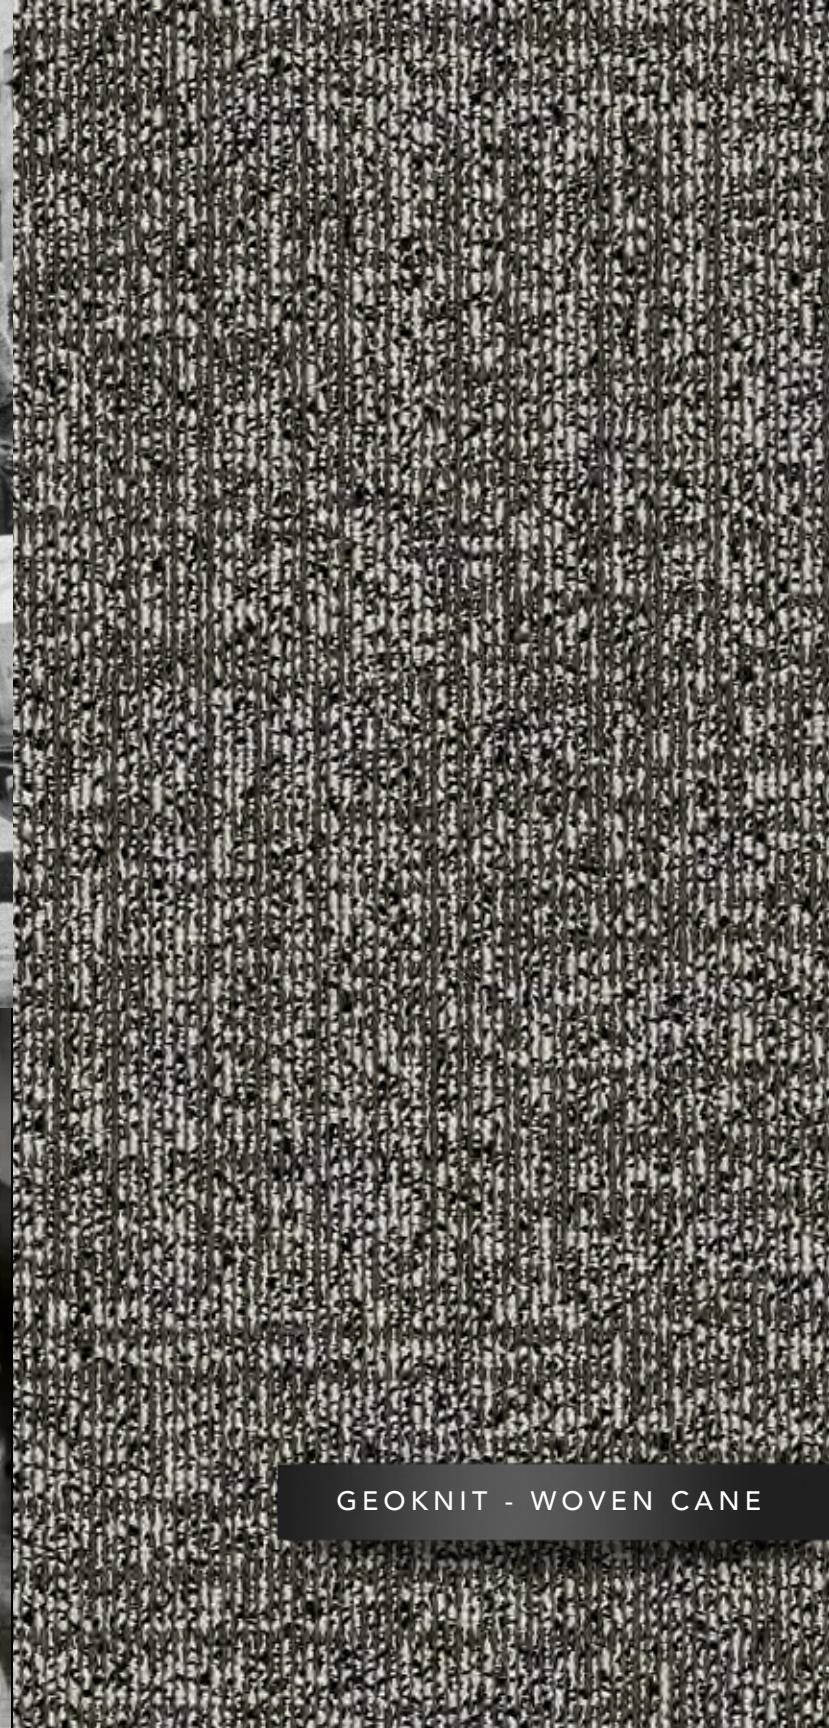

This tightly detailed chenille, offers a seemingly seamless visual when installed vertical ashlar. Reminiscent of Chanel-like knit fabrics, GeoKnit is a modern day classic suitable for any interior space.

GEOKNIT - AFGHAN

GEOKNIT - WOVEN CANE

GEOKNIT - IBIZA BREEZE

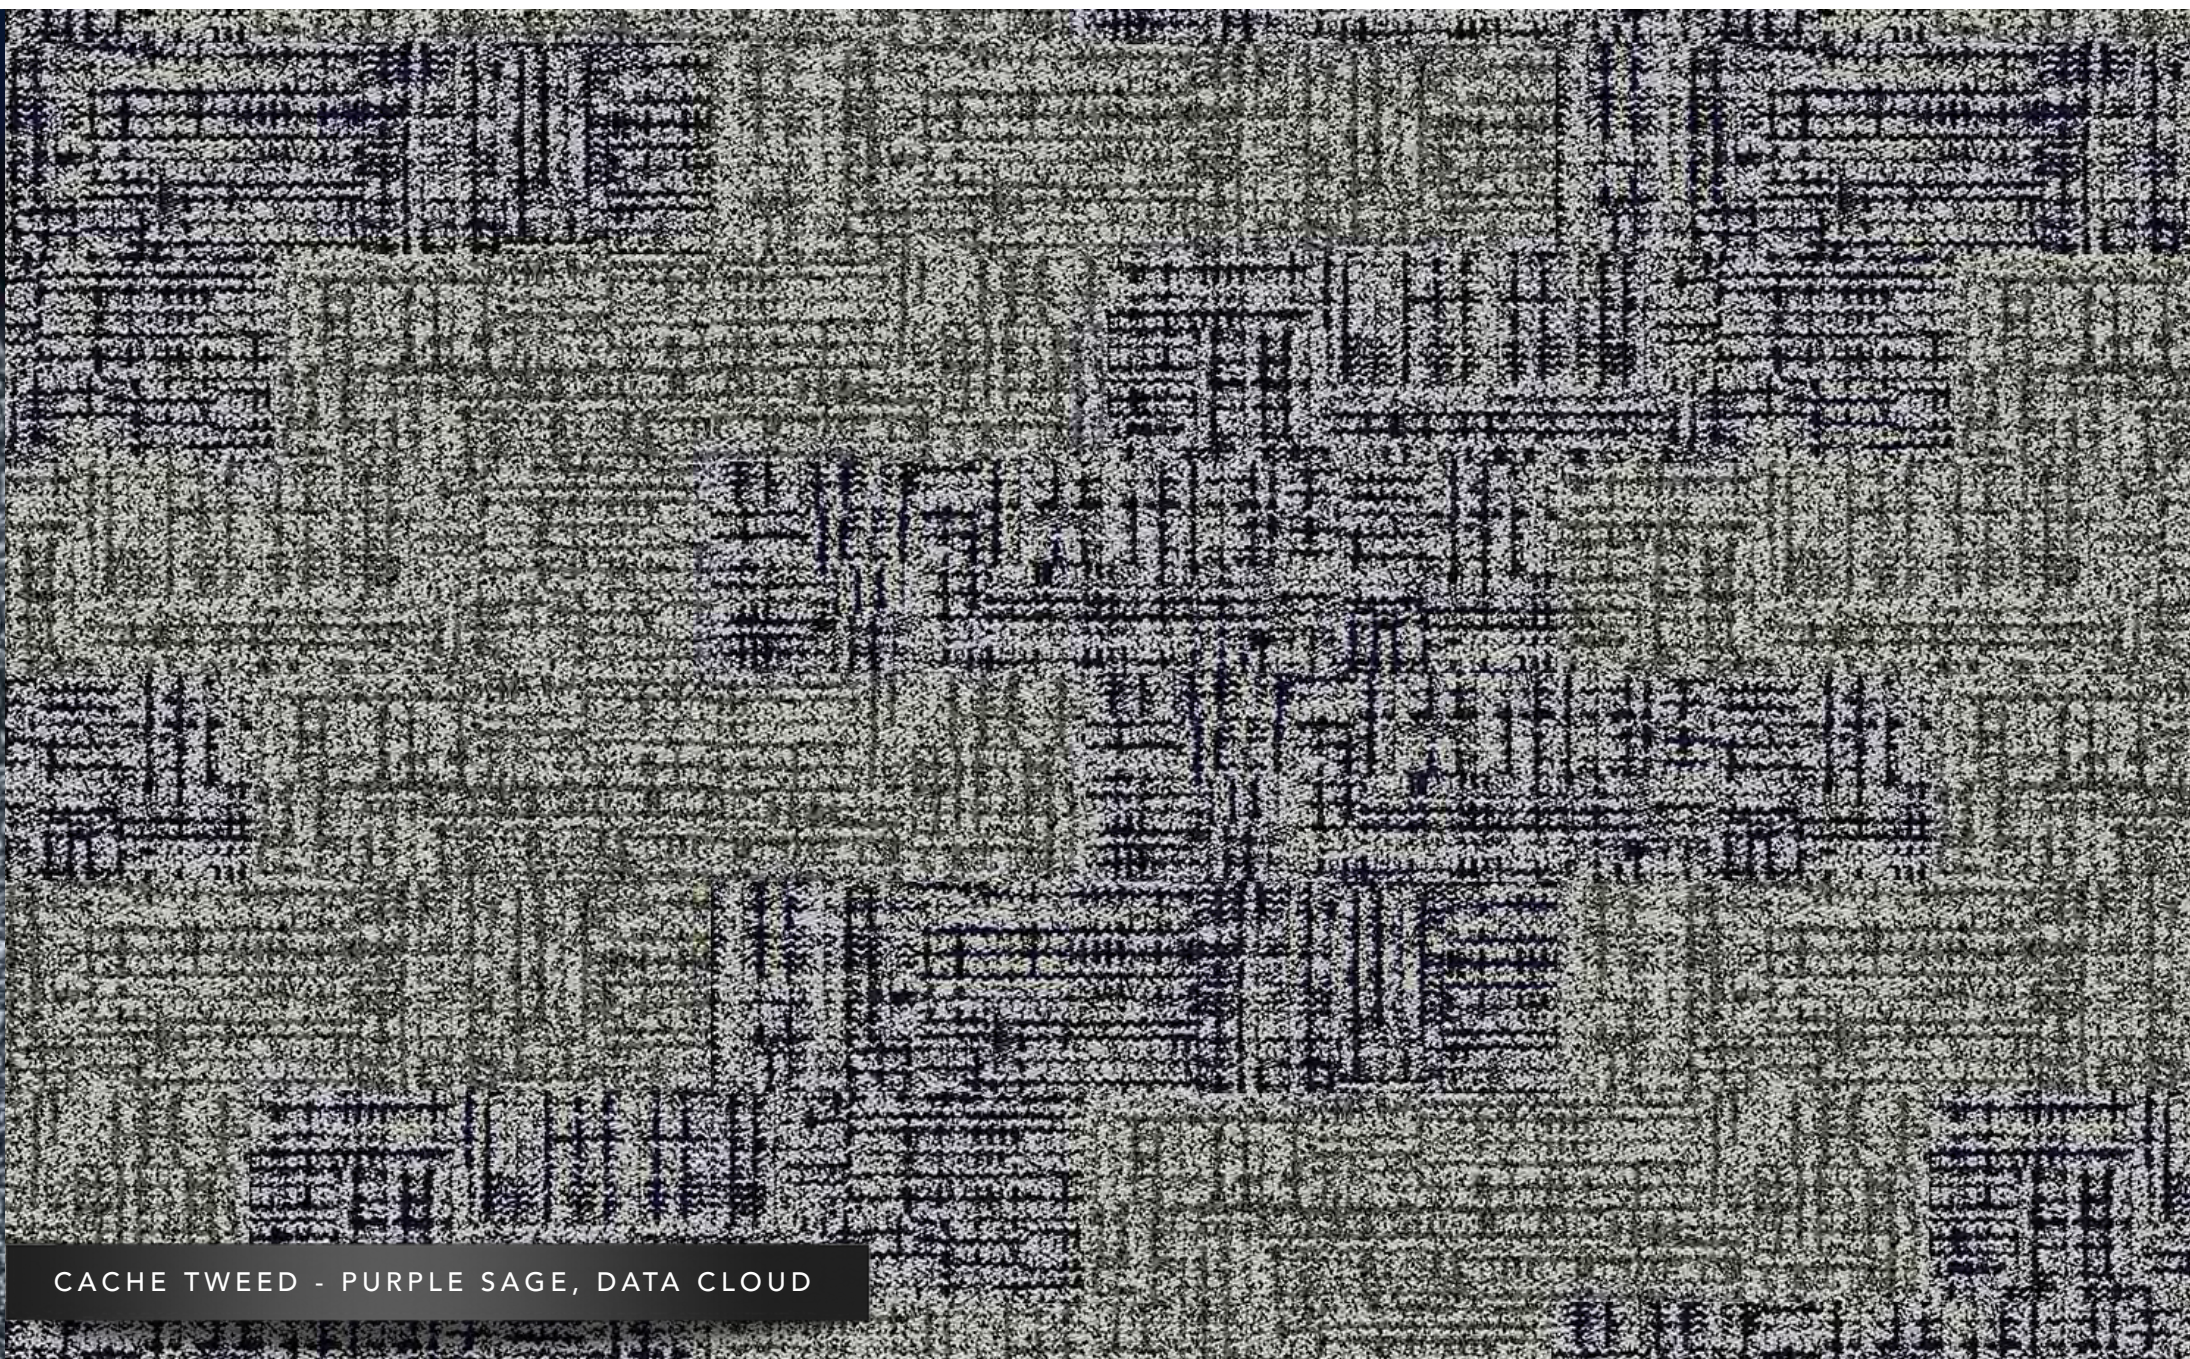

CACHE TWEED - SATURATED GREY

The more textural counterpoint to GeoKnit, this nubby surfaced classic textile look of Cache Tweed emphasizes the bulk of a newly developed yarn processing technique that adds complexity and depth to the visual. Cache Tweed can be used alone for a near monolithic look or paired with GeoKnit to create pattern shapes on the floor.
