

Desert CARPET TILES

O Tarkett

STUNNING EFFORTLESS DESIGN

Desert lends a feeling of vast, open spaces to the indoors with its subtly layered organic design. Like the shifting sands of the desert, this textured carpet tile collection allows you to play with the space to create a serene flooring scheme.

Whether your commercial interior project is compact or spacious, the end result is stylish, contemporary flooring.

ENRICHED COLOUR PALETTE

Offering a wider spectrum of new muted shades to bridge existing neutral and accent colours, the restyled palette of DESSO Desert presents multiple combinations for creative expression.

ENHANCED BACKING OPTIONS

DESSO Desert comes standard with our affordable ProBase backing. However, we offer a wide selection of backing solutions specially developed to meet the needs of today's workplace.

Adding our recyclable EcoBase carpet tile backing, makes the total collection Cradle to Cradle[®] Silver level certified, fully recyclable and ensures that it records an impressively low circular carbon footprint of 2,32 kg CO_2/m^2 *.

In addition, the new SoundMaster XLite acoustic backing can be added, for improved sound absorption.

* According to the Environmental Product Declaration (EPD) S-P-09339 – DESSO Desert EcoBase externally verified by Bureau Veritas, based on the total carbon footprint (Modules A-D) with a closed loop circular recycling scenario.

Preliminary specification

Tarkett carpet products are to be installed in full accordance with the DESSO installation instructions and recognised trade standards. An effective, regular cleaning and maintenance programme is vital for retaining a high appearance level. Tarkett carpet products should only be used as floorcoverings. Note: Tarkett reserves the right to amend this specification without giving prior notice. For the latest versions of the technical specifications, check our internet site: www.desso.com

* contains 75% recycled content.

Tarkett Human-Conscious Design®

Tarkett Human-Conscious Design[®] is our pledge to stand with present and future generations. To create flooring and sports surfaces that are good for people and for the planet. And to do it every day.

We deliver on this through the synergy of three commitments: 1 Deep human understanding

2 Conscious choices. For people and planet

3 With you. Every step of the way

About Tarkett

With a history of more than 140 years, Tarkett is a worldwide leader in innovative and sustainable flooring and sports surface solutions, generating net sales of € 3.4 billion in 2022. The Group employs 12,000 employees and has 25 R&D centres, 8 recycling centres and 34 production sites. Tarkett creates and manufactures solutions for hospitals, schools, housing, hotels, offices, stores and sports fields, serving customers in over 100 countries. To build "The Way to Better Floors," the Group is committed to circular economy and sustainability, in line with its Tarkett Human-Conscious Design® approach. Tarkett is listed on the Euronext regulated market (compartment B, ISIN: FR0004188670, ticker: TKTT) www.tarkett-group.com
