INDENT

Designer Suzanne Tick draws upon her expertise in textiles to bring a high-tech aesthetic to flooring through the innovation of traditional weave structures. The result is Indent, pushing the technology of woven floorcovering to new heights by incorporating the backing yarns into the overall carpet design. Through a unique weave draft, Indent utilizes voided dents in the warp to create architectural, three dimensional patterning.

CONSTRUCTION OPTIONS

Through our ReStart® program, we ensure 100% of the flooring and samples returned are recycled or reused, guaranteed.

| | Backing Systems | Warranty | Rollability | Recyclable | Moisture Management | Installation | Recycled Content |
|-------|-----------------|------------------|---|--|---|--------------|--|
| Woven | Crossweave® | lifetime LIMITED |  EXCELLENT |  RECYCLABLE | | DIRECT GLUE | |
| | CrossCushion® | 10 YEAR |  EXCELLENT | |  | DIRECT GLUE |  RECYCLED CONTENT |

= Rollability is the ability to move (or roll) pieces of furniture such as chairs or beds on flooring

= 100 ml of dye is applied to the center of a carpet sample and left for 24 hours to confirm resistance to moisture transmission through the secondary backing.

ReStart® includes Tandus Centiva’s third-party certified reclamation and recycling program that reclaims and recycles post consumer flooring, installation waste, samples and portfolios. To initiate ReStart, contact customer service at 800-248-2878. ReStart is available for all Tarkett products and may be initiated by contacting your Tarkett representative.

| Product | Recycled Content | Bio-based Content* |
|---------------|------------------|--------------------|
| CrossCushion® | 8-10% | 2-3% |

*Bio-based content available upon request - minimum yardage requirements apply.

For a detailed analysis of how Tandus Centiva products perform in environmental rating systems such as LEED, please visit our ecoScorecard at tandus-centiva.ourgreenproducts.com.

Publicolor

Publicolor is a not-for-profit program that offers a multi-day, multi-year continuum of design-based programs for at-risk teens that equips them with the tools they need to plan for their future and prepare for college and a career. Publicolor’s Summer Design Studio Program teaches the students literacy and math through product design.

When you specify and purchase any Suzanne Tick product for a project in education, you are helping contribute to Publicolor’s Summer Design Studio. Suzanne Tick, Inc. and Tandus Centiva have each committed to donate \$0.10/sq. yd. from these sales, totaling a \$0.20/sq. yd. donation. With over 40 STI designs to choose from, your K-12 and higher education specifications and purchases will positively impact the lives of Publicolor students. For a complete list of Suzanne Tick designs or to learn more about our partnership with Publicolor, visit tandus-centiva.com.

For samples, warranties and additional information, visit tandus-centiva.com or call 800.248.2878.
