Inspired by natural stone

Discover the luxurious and warm feeling of DESSO Flagstone. Celebrating the natural beauty and intricate vein structure found in stone and marble, the wall-to-wall broadloom carpet and custom-made area rug collection offers elegant appeal and tactile comfort.

Multi-functional spaces

Designed to satisfy the emergence of multi-functional spaces for work, hospitality and home, the transitional designs blend the pure luxury of a boutique hotel with the comfort of home.

Establish a sense of calm connectedness

Constructed using a unique combination of structured loop and cut pile, the rich carpet reveals a delicate, tonal effect with crackle detailing that adds texture and dimension to interior schemes. Rooted in nature, this authentic, recognisable design helps to establish a sense of calm connectedness that brings mood-boosting, acoustic comfort to any setting.

12 colours in earthy tones

Tarkett DESSO Flagstone is composed of 12 harmonious colours inspired by natural stone and earthy tones. The collection includes a mix of warm colours ranging from refreshingly vivid lighter greys and greens, to more saturated dark and intense reds and auburns. The different colourways work beautifully together across a scheme, creating a collection of tones that have broad appeal for all interior styles.
