**About Tarkett**

For 140 years, innovation, dedication to excellence, and a long-lasting commitment to sustainability have made Tarkett a global leader in cutting-edge flooring solutions, for a wide range of market segments. Since 2015 DESSO Marine is part of Tarkett providing bespoke Axminster carpet products for cruise ships.

**Doing Good. Together.**

At Tarkett, we help you to create healthier spaces by making sustainable flooring that is good for people and good for the environment. Our commitment to health and wellbeing sits at the heart of our sustainability approach, "Doing Good. Together". By listening to our customers' needs and collaborating with our stakeholders, we design products that deliver optimal performance, promote healthy living and respect natural resources. Our design philosophy is inspired by the circular economy and Cradle-to-Cradle® principles. It offers our customers the opportunity to respect the environment and advance their sustainability goals. In particular, we provide flooring made with healthy materials that can be recovered, recycled and transformed into new products.
