

## Zoning & Wayfinding

Return  
to work -  
safely

# We help you every step of the way...

As the world starts to emerge from lockdown, businesses are trying to balance the reopening of the economy with the health and wellbeing of its employees.

Flooring can play a key part here by creating clear – yet flexible – zones while helping your employees and visitors maintain social distancing.

At Tarkett, our customers' needs are at the centre of everything we do, and we are here to support you with practical consultancy on Post-Covid workplace floor plan design, please contact your local sales representative for more information.

## Return to the office flooring tips:

Introduce  
**wayfinding**  
icons on the floor

Use  
**iconography**  
that is clear and complementary  
to the office design

Create  
**zones**  
using a mix of different surfaces,  
colours, patterns and textures

Specify smart replacement  
**carpet tiles**  
that offer a quick, temporary fix

**One tile, multiple direction options:** the inner circle is completely modular, so it can be easily placed to point in any direction!
