STARFLOOR CLICK 30...

Your decoration clicks into place
A new look installed simply and swiftly

Starfloor Click 30 brings choice, style and simplicity to your renovation. A wide range of patterns and colours to suit all tastes. Simple click installation system. Fifteen-year warranty.

Classic, contemporary or trendy; the living area, kitchen and bathroom or bedrooms, Tarkett Starfloor Click 30 refreshes your decoration in an instant. Mix and match wood, metallic, ceramic and stone designs to personalise your interior and enjoy true comfort underfoot.

Installing the vinyl tiles is fast and straightforward thanks to the easy click system that requires few tools. The tiles’ natural acoustic qualities keep noise to a minimum, and with an acoustic underlay, noise can be reduced even further. Complete the look with matching skirtings.

Your new floor is also a durable choice. Starfloor Click 30’s wear layer and Top Clean surfacing protect against scuffs, scratches and stains, making the flooring easy to maintain and clean throughout its 15-year warranty.

And it goes without saying that Starfloor Click 30 is made with the environment in mind. In your home, first with Starfloor Click 30: VOC levels are lower than current European standards, contributing to good indoor air quality and your well-being. Manufactured within Tarkett’s closed loop sustainability system, Starfloor Click 30 is also 100% recyclable.

Starfloor Click 30 is the simple and sturdy flooring that also gives free reign to your tastes and imagination for great interior design.

PLUS An Aura of Authenticity
Add a lifelike finish

Add another dimension to your decoration by amplifying it with textures that bestow upon your floor a look and feel close to the real thing. The embossed-in-register technique engraves effects onto your planks and tiles that reproduce wood or stone’s natural essence. As light travels across your floor, the grain or pattern is reflected, reproducing a lifelike finish all around you.
The Country Oak, with its registered embossing, is a traditional and classic wood. Its timeless elegance is reassuring.

DESIGN & INSPIRATION

Teak

The Teak adds a warm and exotic touch.

Beech

The classic beech, in a natural color, is a timeless wood. It will be in harmony with all styles.
DESIGN & INSPIRATION

Soft Oak

The Soft Oak is an elegant and easy wood. It creates a timeless ambiance.

Scratched Metal

The trends like to rewrite histories by mixing the styles and recycled objects and materials. The Scratched Metal, old looking metal, with cracks and patinas is inspired by the industrial style.
