Grading of wood

A tree is like a secret package. You have some ideas of the content, but you don't know for sure what will show up. Each and single wood piece is unique.

In our manufacturing the wood is sorted and graded in different families to get specific image of the flooring. At Tarkett, we offer different wood grading:

Select – very uniform color with calm structure / really small knots / quarter-sawn look

Premium – uniform color with calm structure / small knots

Nature – medium color variations / medium knots / traditional look

Original – lively structure, medium color variations / medium knots

Robust – lively structure, large color variations / medium knots

Rustic – very lively structure with large color variations / large knots / vintage look

Thermo / Cognac – hardwood becomes darker all the way through its thickness

Uni Nature – very lively structure with large colour variations / medium knots / moderately visible sapwood / vintage look

Uni Rustic – very lively structure with large colour variations / large knots / visible sapwood / vintage look

Uni Robust – very lively structure with large colour variations /medium knots / very visible sapwood / vintage look

Our century long experience, commitment to excellence and care for customers guide us in eliminating natural wood imperfections - knot holes, bird pecks, worm holes, black spots and other cracks.

Note: Heat treatment and staining can significantly determine product visual appearance.

Селекция древесины

Каждое дерево – особенное и неповторимое.

В процессе производства на нашем заводе древесина сортируется и распределяется по различным категориям, чтобы получить в итоге особенную структуру пола. На заводе TARKETT мы используем следующие классы сортировки сырья:

Селект – очень ровная и «спокойная» структура древесины / маленькие сучки

Премиум – ровная и «спокойная» структура древесины / небольшие сучки

Натур – умеренная вариация цвета / сучки среднего размера / традиционный стиль

Ориджинл – живая структура, ровный цвет / сучки среднего размера

Робуст – живая структура, перепады цветового тона / сучки среднего размера

Рустик – очень яркая структура с большими перепадами цветового тона / большие сучки / винтажный стиль

Термо / Коньяк – термическая обработка дерева, которая меняет его цвет на всю глубину

UNI Натур – очень живая структура с широким спектром вариации цветов / средним размером сучков / умеренным присутствием заболоней / винтажный стиль

UNI Рустик – очень живая структура с широким спектром вариации цветов / большим размером сучков / заметным присутствием заболоней / винтажный стиль

UNI Робуст – очень живая структура с широким спектром вариации цветов / средним размером сучков / ярко заметным присутствием заболоней / винтажный стиль

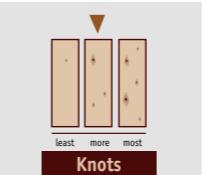

Более чем вековой опыт производства, признание нашего производства в данной области, забота о покупателях позволяют нам называть себя экспертами в области отбора качественной древесины.

СОВЕРШЕННАЯ ЗАЩИТА ПОЛА

Living with Tarkett wood flooring

Every tree gives a variety of different colors and structures which vary depending on how we cut the material.

Our 125 years old experience in processing wood developed a unique system for carefully inspecting and grading wood, manufacturing floors with different looks, expressions and styles.

This way, natural beauty becomes everyday inspiration and part of your beautiful home.

Browse through this book and find out which wood flooring suits you the best. Be aware that some of designs you can't find in your country, but thanks to this guide you can see how it looks like, what is its structure like, how color can be changed over time, what is its hardness and so on. And don't forget wood is a living material – so live in harmony with nature!

NOTE: In Grading Book, the color of each design may vary from real samples!

Пространство для жизни с паркетом от Tarkett

Каждое дерево – это разнообразие цветов и структур, которые можно получить в зависимости от того, как будет разрезан исходный материал.

Наш 130-летний опыт в производстве паркетной доски сконцентрирован на уникальной системе тщательного отбора и селекции древесины, что позволяет нам производить покрытия, обладающие индивидуальным характером и стилем.

Благодаря этому красота природы вдохновляет Вас каждый день и становится неотделимой частью Вашего прекрасного дома.

Пролистайте эту книгу – и Вы сможете подобрать паркет, который подходит именно Вам. Здесь также содержится информация о вариациях в структуре и цветах древесины, изменениях оттенка с течением времени, технические характеристики по твердости покрытия и многие другие полезные детали. Не забывайте, что дерево – это живой материал – и с ним ваша жизнь будет протекать в полной гармонии с природой!

ВНИМАНИЕ: Представленные в данном каталоге дизайны могут незначительно отличаться от настоящих образцов.

THE SECRET POWER OF BEAUTY

Tango Art designs bring emotions of travelling from all over the world. Inspiration, taken from nature, we have enriched with the spirit of different cultures. Just like precious memories in their invisible way can make our life beautiful, these emotions quietly make our homes to a place we go for a wonderful life journey.

ТАЙНАЯ СИЛА КРАСОТЫ

Паркетная коллекция Tango Art запечатлела эмоции, собранные из путешествий по всему миру. Вдохновение от природы обогащено духом разных культур. Как произведение искусства, так и дизайны коллекции Tango Art воплотили радость Барселоны, воображение Нью-Йорка, свет Сиднея, энергетику Токио, магию Москвы... Мир как источник вдохновения.

Tango Classic

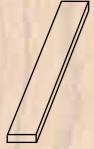

CLASSICS NEVER GO OUT OF FASHION

Modern at all times, attractive to different generations. Creating classics asks for special kind of innovation, because in order to become timeless, something must be new at first. With the idea of designing beauty and quality that passes the test of time and makes home warm and comfortable, we designed Classic. **Tango Classic.**

КЛАССИКА НИКОГДА НЕ ВЫХОДИТ ИЗ МОДЫ

Всегда современная, она притягивает все поколения. Создание классики требует особого стиля инноваций, ведь, чтобы остаться в вечности, нужно начать с чего-то нового. Идею соединения красоты и безупречного качества, которые достойно пройдут испытания временем, мы воплотили в новой Классике. **Tango Classic.**

Salsa Art

IMPRESSIVELY DIFFERENT

Artisan Salsa Art collection combines wood with the latest advances in imaging, texturing and finishing to create the most authentic wood flooring. White, beige, grey, purple, brown, silver, black with white pores... perfect match of colors and nature.

СОВЕРШЕННО ОСОБЕННАЯ

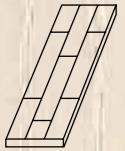

Коллекции Salsa Art не занимать яркости и артистизма. Трехполосная паркетная доска в уникальной цветовой гамме в сочетании с современными эффектами обработки дерева. Дымчато-серые и сливочно-бежевые, классические белые и авангардные черные, дизайны с переливающимся блеском, с экстравагантной серебряной патиной.

DESIGNED FOR PREMIUM TASTE

Just as gemstones are polished to enhance their color and clarity, which results in precious jewelry, all Salsa Premium designs are produced with great attention and devotion. The natural beauty of these designs, with emphasized wood grain and warm colours, will bring peaceful atmosphere to both modern and classic interior.

СОЗДАНО ДЛЯ ПРЕМИАЛЬНОГО ВКУСА

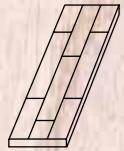

С таким же вниманием и тонкостью, как ювелиры производят огранку драгоценных камней, чтобы раскрыть их цвет и чистоту для прекрасных украшений, мы создали линию дизайнов Salsa Premium. Естественная красота этих дизайнов, с акцентами на природной структуре древесины и мягких оттенках, внесет теплую атмосферу спокойствия в любой интерьер как в современном, так и в классическом стиле.
