ADRIA

Collection

Collection of BCF rugs for indoor and outdoor use in very modern colors. They are made of polypropylene, which is UV stable, and there is a polypropylene tape instead of jute in the rug base, which makes it resistant to moisture and sunlight and guarantees unchanged appearance over a few seasons. Adria rugs are suitable for high-frequent facilities and it is an excellent solution for patios, porches, outdoor cafes and restaurants, courtyards. With regard to the type of weaving - the so-called flat weaving where rugs are produced piece by piece - in this product there is a possibility of weaving personalized designs.
