Color plays a key role in Balanced Choice. After all, color has the power to motivate students in the classroom or soothe healing patients. It can stimulate excitement at retail stores or enhance safety by preventing a bad fall. By coordinating all Johnsonite flooring and accessory solutions across a balanced, harmonized palette, you have the freedom to bring your spatial design ideas to life. Express your creativity through the kind of environments where happiness and productivity thrive together.

New Color Palette Experience

To help you easily select colors, we've created a pain-free, customer-centric color selection process. The new color experience offers two palettes for finishing borders, accessories, rubber tile, stair tread and rubber accessories.

Essentials Color Palette: Consists of 92 core, fundamental colors. Essentials is available in all applicable finishing borders (including Millwork) and rubber products.

Accents Color Palette: 60 vibrant, inspirational options to create a contrasting spark within your space. Accents offers the perfect palette whether it be for a school, cafeteria, or focal wall to catch your eye. Accents is available in all applicable finishing borders (including Millwork) and rubber products.

The two palettes maintain the vast Johnsonite color offering while also simplifying the color selection process. You deserve only the best...simplicity without compromise!

Color Foundations:

Color Foundations **[CF]** are neutral colors designed to coordinate over the entire Johnsonite solutions offering: rubber, vinyl sheet and tile, composition tile, linoleum flooring, finishing borders (*wall base*), stair treads and accessories. CF neutrals: **WB** (*warm beige*), **CB** (*cool beige*), **WG** (*warm grey*), **CG** (*cool grey*), **B** (*black*), **W** (*white*) let you switch colors within like groups, making it easier and faster to create your signature designs. There are hundreds of choices in 6 neutral palettes and one guarantee; You'll always have color coordinating options within each palette, now and into the future forever! Guaranteed.

Customization:

When you don't see your perfect color, create it. Get it started by using our Design a Space Pro Visualizer at tarketna.com. While there, experiment with different textures. We offer customized colors in the quantity you want, when you want it!

ColorMatch:

ColorMatch is a designer palette of 36 leading colors that offer coordinating colors across multiple products with no dye lots... ever! Our rigorous manufacturing and quality standards enable you to confidently mix and match a color across all Johnsonite rubber and vinyl flooring products, finishing borders and finishing accessories.

Metallics:

Metallics have become the enriching visual answer as we look to highlight accent points in our creative spaces.

All colors shown in this card, including chips and photographs, approximate the actual flooring colors as accurately as possible.
