

Garden Walk Collection

BROADLOOM

Inviting
spaces for
body, mind
and soul.

 **Tarkett**

Creating an atmosphere of betterment.

Using soft nuance and fluid movement, the Garden Walk Collection welcomes residents and guests with the warmth and comfort of home, creating an ideal setting for healing, living and leisure. This warm array of color and pattern gently alludes to organic materials from the outdoor environment and embraces the imperfect beauty of the natural world. Each sophisticated design carries deep, soothing tones that create a tranquil atmosphere and lends itself to feelings of well-being. Inviting, reflective and restorative, these spaces are designed for the overall wellness of body, mind and soul.

Six additional broadloom patterns from the IslandGate Collection pair seamlessly with Garden Walk's soft hues. Offered in a soothing palette of neutral greys and beiges, IslandGate adds comfort and style with softness underfoot. Our full line of resilient flooring and accessories helps provide the perfect solution for every space—and safe passage across transitions.

Great
spaces.
One surface
at a time.

At Tarkett, we believe in placing people in the center of every space, so we've developed a portfolio of products designed to work together both functionally and aesthetically. The Tarkett Solution SPECtrum™ has an extensive product offering across all flooring platforms that addresses senior living concerns. We focus on proven attributes like acoustics and slip/fall reducing strategies to enhance living and working environments, while improving resident, staff and visitor satisfaction.

Doing Good—Together.

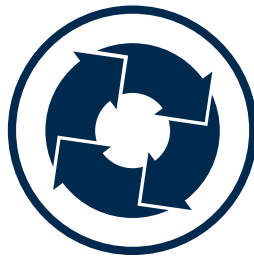

At Tarkett North America, we believe that together, we can make a positive impact on people and the planet. That's why we're Doing Good— Together, connecting our sustainability efforts with what our customers value and our world needs. It's an active, living commitment to create a future where people and the planet prosper in balance. Where sustainable flooring solutions don't just perform. They inspire.

The Garden Walk Collection includes Tarkett's new Eco-Ensure™ soil protection technology, a fluorine-free chemistry based on a mixture of common organic elements found in the natural environment: carbon, hydrogen, oxygen, sodium, sulfur and nitrogen. Eco-Ensure has received the *Cradle to Cradle*® Product Innovation Institute's Gold Level Material Health Certificate, and is now used on all Tarkett soft surface products.

DESIGNING FOR LIFE

Developing products based on *Cradle to Cradle*® principles that contribute to people friendly spaces AND respect the planet's natural capital.

CLOSING THE LOOP

Building a circular economy inclusive of programs and business models that encourage take back, reuse, recycling, and elimination of waste.

DRIVING COLLABORATION

Inviting others to join us in Doing Good through education, collaboration, transparency, and communication.

CONSTRUCTION OPTIONS

Through our ReStart® program, we ensure 100% of the flooring and samples returned are recycled or reused, guaranteed.

	Backing Systems	Warranty	Rollability	Recyclable	Moisture Management	Installation	Recycled Content
BROADLOOM	Super-Lok®	10 Year	Excellent	●		Direct Glue	
	LifeLong®	20 Year	Excellent	●	Modified British Spill Test*	Direct Glue	●
	ErgoStep®	10 Year	Good		Modified British Spill Test*	Direct Glue	●

Rollability is the ability to move (or roll) pieces of furniture such as chairs or beds on flooring

*100 ml of dye is applied to the center of a carpet sample and left for 24 hours to confirm resistance to moisture transmission through the secondary backing

ReStart® includes Tarkett's third-party certified reclamation and recycling program that reclaims and recycles postconsumer flooring, installation waste, samples and portfolios. To initiate ReStart, contact customer service at 800.248.2878.

Product	Recycled Content	Bio-based Content*
LifeLong®	28-40%	
ErgoStep®	8-10%	2-3%

*Bio-based content available upon request - minimum yardage requirements apply.
