Garden Walk Collection
POWERBOND® + MODULAR

Inviting spaces for body, mind and soul.
Creating an atmosphere of betterment.

Using soft nuance and fluid movement, the Garden Walk Collection welcomes residents and guests with the warmth and comfort of relaxed living, creating an ideal setting for healing, lifestyle and leisure. This warm array of color and pattern gently alludes to organic materials from the outdoor environment and embraces the imperfect beauty of the natural world. Each sophisticated design carries deep, soothing tones that create a tranquil atmosphere and lends itself to feelings of well-being. Inviting, reflective and restorative, these spaces are designed for the overall wellness of body, mind and soul.

An ideal setting for healing, lifestyle and leisure.
With 12 patterns and 12 colorways, the Garden Walk Collection offers 144 possible combinations, and is available in Modular, Powerbond, and Broadloom constructions. Refer to the Garden Walk Broadloom portfolio for additional styles.
The beauty of the bond.

Introduced in 1967, Powerbond® has always been ahead of its time. And now, more than 50 years later, there's still nothing else like it on the market. With the look and softness of carpet and the performance of resilient, Powerbond’s chemically welded seams create a wall-to-wall moisture barrier that allows leaks and spills to be easily extracted without reaching the substrate. Its unique construction of nylon and closed-cell cushion produces a floorcovering that’s integral, inseparable, impermeable—and downright incredible.

Six additional broadloom patterns from the IslandGate Collection pair seamlessly with Garden Walk’s soft hues. Offered in a soothing palette of neutral greys and beiges, IslandGate adds comfort and style while softness underfoot. Our full line of resilient flooring and accessories helps provide the perfect solution for every space—and safe passage across transitions.
At Tarkett, we believe in placing people in the center of every space, so we've developed a portfolio of products designed to work together both functionally and aesthetically. The Tarkett Solution SPECtrum™ has an extensive product offering across all flooring platforms that addresses senior living concerns. We focus on proven attributes like acoustics and slip/fall reducing strategies to enhance living and working environments, while improving resident, staff and visitor satisfaction.

At Tarkett North America, we believe that together, we can make a positive impact on people and the planet. That’s why we’re Doing Good—Together, connecting our sustainability efforts with what our customers value and our world needs. It’s an active, living commitment to create a future where people and the planet prosper in balance. Where sustainable flooring solutions don’t just perform. They inspire.

The Garden Walk Collection includes Tarkett’s new Eco-Ensure™ soil protection technology, a fluorine-free chemistry based on a mixture of common organic elements found in the natural environment: carbon, hydrogen, oxygen, sodium, sulfur and nitrogen. Eco-Ensure has received the Cradle to Cradle® Product Innovation Institute’s Gold Level Material Health Certificate, and is now used on all soft surface products.

**DESIGNING FOR LIFE**

Developing products based on Cradle to Cradle® principles that contribute to people friendly spaces AND respect the planet’s natural capital.

**CLOSING THE LOOP**

Building a circular economy inclusive of programs and business models that encourage take back, reuse, recycling, and elimination of waste.

**DRIVING COLLABORATION**

Inviting others to join us in Doing Good through education, collaboration, transparency, and communication.

CONSTRUCTION OPTIONS

Through our ReStart® program, we ensure 100% of the flooring and samples returned are recycled or reused, guaranteed.

Rollability is the ability to move (or roll) pieces of furniture such as chairs or beds on flooring. Moisture penetration by impact at seams @10psi:

- No penetration after 10,000 impacts
- Impermeable seams

ReStart® includes Tarkett's third-party certified reclamation and recycling program that reclaims and recycles post-consumer flooring, installation waste, samples and portfolios. To initiate ReStart, contact customer service at 800.248.2878.
