4' pieces

Reduces 3/8" to 1/4". Can be used alone or with LS-40 to extend transition.

## LS-40-C

4' pieces

Reduces 1/2" to 3/8". Can be used alone or with LS-40-D or LS-40-B to extend transition.

We've practically eliminated the need for traditional floor levelers—and the labor and curing time they require. Our patented SubFloor Leveler System® provides a gradual ramp between different flooring elevations, creating a smooth transition and fewer trips and falls. With easy installation and the ability to lay flooring immediately over top, it keeps everything moving swiftly—from your project to your foot traffic.
