

Take 5

VCT

KEY BENEFITS:

- **Coordinated benefits:** Color, design, and sustainability are the elements that allow all of our flooring solutions to come together. Vinyl composition tiles (VCT) were created to work in concert with our entire product portfolio to include heterogeneous and homogenous vinyl, rubber, and linoleum.
- **Low cost:** VCT provides the lowest first cost resilient flooring solution available
- **Immediate use:** Installation with SpraySmart adhesive provides for immediate cleaning, finishing and occupancy
- **Sustainable solution:** VCT is composed of approximately 85% limestone which is a natural material abundant in nature. It has low energy requirements when extracted and makes it easy to recycle. Tarkett VCT solutions are:
 - Phthalate Free
 - TVOC levels less than or equal to 10 ug/m³
 - Floorscore Certified
 - High recycled content (25%+)
 - ReStart® Program
 - Vinyl composition solutions can contribute to LEED credits

VCT

PRODUCT DETAILS:

- VCT, VET and SVT flooring provides an answer for your budgetary considerations, performance and maintenance needs and sustainability requirements, all without sacrificing overall design and aesthetics.

VCT Details:

- 12" x 12" x 1/8" thick tile
- 27 standard colors | 2 premium solids
- 150 PSI
- 5 year manufacturing warranty
- 3-5 coats of finish required
- Adhesives to use: Tarkett 100 or SpraySmart 901
- Product content: 84% Limestone, 15% Vinyl/Binder, 1% Pigments
- Pre-consumer recycled content: 23% / Post-consumer recycled content: 6%

VET (COLOR ESSENCE AND AZTERRA) Details:

- 12" x 12" x 1/8" thick tile
- Color Essence – 51 smooth / 6 slip resistant colors
- Azterra – 23 colors
- 400 PSI
- 10 year manufacturing warranty
- 3 coats of finish required
- Adhesives to use: Tarkett 959 or SpraySmart 901
- Product content: 74% Limestone, 25% Vinyl/Binder, 1% Pigments
- Pre-consumer recycled content: 23% / Post-consumer recycled content: 6%

SVT (Cortina Grande) Details:

- 16" x 16" x 1/8" thick tile
- Cortina Grande – 50 smooth colors / 6 slip resistant colors / 8 Karim colors / 4 Karim shapes
- 800 PSI
- 10 year manufacturing warranty
- 2 coats of finish required
- Adhesives to use: Tarkett 959 or SpraySmart 901
- Product content: 64% Limestone, 35% Vinyl, 1% Pigment
- Post-consumer recycled content: 3%
(Note: recycled content is lower to meet the homogeneous spec required for ASTM F 1700)
