

# iD LOOSE-LAY 55 GRADING BOOK

At Tarkett, innovation is guided by a simple belief: flooring shapes how we live, work, and feel. With the iD range, creativity leads every project. Once the first intuitive choice is made, formats, textures, and installation methods unfold naturally. This intelligent range transforms complexity into clarity, empowering architects, designers and installers to shape each project with ease and intention:

Your space.  
Your story.  
Your iD.

## iD – The All-in-One by Tarkett

# Circular innovation

Tarkett's circular approach shapes every stage of the iD range.

All iD products are now Made in Europe with at least 20% recycled content, reinforcing our commitment to quality, proximity, and a reduced carbon footprint.

Circularity isn't a goal for the future; it's the framework guiding how we design and produce today.
