

BIOCLEAN for hardwax oiled floors

WOOD ACCESSORIES - PRODUCT INFORMATION

Bioclean for floors treated with hardwax oil is a highly effective cleaning concentrate with natural ingredients - especially developed for wooden floors with hardwax oil surface.

- For regular cleaning and care.
- Water soluble for quick, easy and thorough maintenance.
- Even for large high traffic areas.
- Makes the floor surface more resistant against soiling and water.

Product Description:	Bioclean for hardwax oiled floors is a water soluble cleaning concentrate for everyday maintenance, particularly developed for oiled/waxed wooden floors. It contains soaps on the basis of natural oils that maintains the surface. When used regularly it creates a highly effective and easy-to-use surface. The water soluble substances reduce cords. Particularly kind to skin, free from pigment and scent, solvent- and emission free and thus healthy living.
Use:	For cleaning, stain removal and maintenance of oiled and waxed wooden floors.
Preperation:	Remove all loose dirt by dry mopping, vacuum cleaning or brushing.
Application:	<ul style="list-style-type: none">• For removing everyday dirt approx. 10 ml/1 capful of Bioclean for hardwax oiled floors per 1 litre of lukewarm water.• For higher levels of soiling or for mechanical applications, dosage can be increased up to a mixing ratio of 1:1.• For partial heavy stains you may try to use the non diluted concentrate. Remove the solution with a moist cotton cloth when done.
Manual Application:	<ul style="list-style-type: none">• Bioclean for hardwax oiled floors is ideal to use with the Micro-Mop from Tarkett.• Spray the cleaner on the floor or the mop (do not wet mop).
Mechanical Application:	<ul style="list-style-type: none">• Spread the diluted solution with a pump aerosol can on the floor.• Loosen the dirt with a one disk machine and a white pad.• Directly absorb the loosed dirt either manually or with a a machine and mop pad.
Tip:	To remove especially tough stains and for periodic maintenance we recommend to use Tarkett Refresher for hardwax oiled floors.
