Linospport Classic (4mm) is one of the **most natural and sustainable** flooring solutions on the market, Tarkett linoleum has been appreciated for its **beauty, comfort and durability** for **over 120 years**.

Linospport Classic collection is **made from 91% natural raw materials** and is available across a range of **marbled patterns in vivid and deep colors**.

It must be treated on site with a surface protection to **ensure high durability** and **cost-effective maintenance**.

Linospport Classic can be combined with our **exclusive Lumaflex Extreme system**, to offer **high sports performances** and **extreme resistance to multi-use**.

Linospport Classic is **100% recyclable**, the clean off-cuts can be collected, recycled and reused in the production of linoleum floor coverings through Restart® program.

Linospport Classic is **Cradle to cradle Silver certified** and comes with a **10-year warranty**.
