The information herein explains the terms and conditions of the limited performance warranty which Tarkett extends to initial purchasers and first end users.

Products Covered

Tarkett will extend a limited performance warranty on all products which are first quality and have been properly installed in accordance with Tarkett’s published guidelines, and those of the most recent CRI-104 “Standard for Installation of Commercial Carpet,” and maintained in indoor commercial installations, and providing that these and the following specific conditions herein have been met.

Who is Covered

Only First Purchasers and First End Users of Tarkett products qualify for this limited warranty. It cannot be transferred to subsequent owners.

What is Covered

The coverage and duration of this limited warranty are specific and differ accordingly to the backing type and the installation method, as indicated in the schedule above.

Adhesive and Seam Sealer: In order to maintain applicable limited warranty validation for direct-glue and double stick installations, Tarkett Greenbond™ B-19 Broadloom Adhesive System must be used to adhere the product directly to the correctly prepared substrate. Additionally, for all types of installations, all seams and unfinished edges must be sealed utilizing Tarkett C-XL Seam Sealer. The use of Tarkett Broadloom Adhesive System for direct-glue and double stick installations, and Tarkett Broadloom Seam Sealer for all types of installations, is required in order to maintain applicable limited warranty validation.

Obligations of First Purchaser and/or First End User

Both the First Purchaser and/or First End User must comply in a timely manner with any reasonable requests from Tarkett to confirm that products have been handled and installed as required to meet the terms and conditions of this warranty.
