Classic

A timeless range of five designs inspired by the natural patterns of wood, minerals and rock. From the linear spirals of Oak to smooth brushed Concrete and a new addition, fragmented BrecciaStone, these sophisticated brown, beige and grey neutrals form a bridge to the more contemporary aesthetic of our Stone and Textile ranges, all of which can be combined with DESSO carpet tiles.

Stone

Available in four striking, modern designs, our Stone range enables creative play with colour-blocking and tonal mosaic patterns for stylish and contemporary workspaces. Mix and match an updated palette of Patine tiles with marble-chipped Terrazzo for an organic mineral mix. Create unexpected linear patterns and checkerboard effects, rotating and repeating irregularly striped Tempo in playful flooring compositions.

Textile

Infusing flooring with a feeling of warm tactility, our Textile range comprises three inviting design options. Choose from Chambray's soft two-tone weave, Canvas's more defined yarn and Vellum's Zen-like pattern of diagonal stripes, or combine them all thanks to our coordinating palette of modern, energetic colours.
