TS 30 / TS MAX 30

Luxury Vinyl Tile Glue Down

1 PUR treatment on top

for excellence resistance to abrasion, scratches, and easy & low cost maintenance

2 A transparent wear layer, made of PVC 0.30mm

for an exceptional hard-wearing and indentation-resistant surface

3 Printed film

high definition design replicating the authenticity of natural materials

4 Core layer

made of PVC

5 Backing layer

made of PVC for glue down installation

Durability

High resistance to indentation, no marks due to heavy furniture.
High dimensional stability, remain flat / does not curl, even with temperature variation.

Infinite layouts
From simple floor patterns to more elaborate compositions, build your own LVT flooring experience.

Extreme Resistance
PU coating that strengthens, extends the life-cycle and simplifies cleaning and maintenance.

TS 55

Luxury Vinyl Tile Loose Lay

1 PUR treatment on top

for excellence resistance to abrasion, scratches, and easy & low cost maintenance

2 A transparent wear layer, made of PVC 0.55mm

for an exceptional hard-wearing and indentation-resistant surface

3 Printed film

high definition design replicating the authenticity of natural materials

4 Core layer

made of PVC

5 Middle layer with double fiber glass layers

for dimensional stability

Anti-slip backing layer

for loose lay installation

Fast installation

Ideal for fast renovation, this collection requires limited subfloor preparation. Easy to install and just as easy to remove, without damaging the substrate, it provides effortless access to the technical subfloor and demands little maintenance over time.

Seamless carpet match
Compatible with Desso® and Tandus Asia carpet tiles, enabling seamless transitions with similar thicknesses.

Pure Oak Light Brown 043 / Rough Concrete Graphite Porcelain 070

Design, service & sustainability

ABOVE 80 DESIGNS

Our designs are printed on high quality decorative layer that recreates the look and feel of wood, stone, cement and other textures so well that it could be mistaken for the actual material.

All 80 designs can be produced in all product constructions (Glue down, Loose Lay and SPC).

Recreating the realism

Thanks to a 100% matte finish, our product resembles to the original material.

Treated with PU treatment

for a tougher surface and simpler care, reducing the need for water, energy and chemical detergents.

Optimal indoor air quality

thanks to **ULTRA-LOW EMISSIONS**.

HEALTHY LIVING thanks to PHTHALATE-FREE peace of mind.

100% RECYCLABLE.
