iD Square Loose Lay

Luxury Vinyl Tiles

iD Square loose-lay, is a luxury vinyl tiles, with a total **thickness of 4.5mm** and **0.80 wear layer**. iD Square is available in planks and tiles:

- 120x20 & 100x25
- 50x50 & 100x100.
- 64,6x12,9 (mini-plank)

iD Square belongs to EN 10582 / EN 651 Acoustic Resilient Floor covering. Thanks to its performances iD Square is Class 34/42 for heavy commercial traffic.

iD Square has **excellent sound absorption** capabilities, helping to reduce noise and echo effectively due to its **Class A** ranking ($\leq 65\text{dB}$), which represents the higher performance level we can reach. In addition, the acoustic foam further reduces noise impact and we reach **17dB**.

The product formulation does **not contain phthalate-based plasticizer**. It is built on a calendared layer made of recycled vinyl flooring material. It contains over **20%** recycled material.

iD Square features our **TEKTANIUM®** PU coating which uses a proprietary polymer system - of protection that

delivers unequalled resistance to scratches, abrasions, wear and stains. Moreover, it offers an **ultra matt finish** which is consistently visible from all angles. By mixing ultra matt effect with excellent resistance and durability properties, the surface of your flooring appears **more realistic** and lasts longer. **TEKTANIUM™** is the only PU coating to combine all these features, so there's no need for compromise.

iD Square offers a **high dimensional stability** $\leq 0,10\%$ according to EN ISO 23999 standard and a **high resistance to thermic dilatation**.

It will offer a high resistance to static indentation with an average value $\leq 0.13\text{ mm}$ according to EN 24343-1 standard.

iD Square has good electrical propensity with results $\leq 2\text{kV}$ according to EN 1815.

The floor covering will offer a fire resistance classified **Bfl s1** on concrete and **CflS1** on wooden floors (EN 13501-1). And according to DIN 51130 standard, the slip resistance of the floor covering will be classified **R10**.

Close to zero emission (quantification limit), TVOC, TSVOC and formaldehyde emissions **will be below $10\text{ }\mu\text{g}/\text{m}^3$** .

iD Square is **produced in France** & come with a **10 Year Warranty**.

It will be **100% recyclable** and installation off-cuts can be collected and recycled in new products through the Tarkett ReStart® programme.

More reasons to choose Tarkett iD Square

- + Class A and 17dB
- + TEKTANIUM®
- + 100% recyclable
- + Test reports and certificates available upon request
- + 100% Phthalate Free
- + No formaldehyde
- + Optimal indoor air quality
- + TVOC $\leq 10\text{ }\mu\text{g}/\text{m}^3$ after 28 days
- + REACH Compliant and CE Marking
