

QuickShip

CATALOG

Hello,

As Senior Vice President of Sales for Tarkett North America, I want to thank you for your business and continued partnership. We're committed to being the simplest part of your day—ensuring that you have the flooring solutions you need, when you need them. To this end, we've recently expanded our QuickShip program to help make your business more nimble, responsive and successful than ever. We look forward to our next project with you—and delighting your clients with beautiful, long-lasting products that create a healthier, more sustainable future for people and the planet.

Sincerely,

A handwritten signature in blue ink, reading "Steve Vosburgh". The signature is fluid and cursive, with the first name "Steve" and last name "Vosburgh" clearly legible.

Steve Vosburgh
Senior Vice President, Sales
Tarkett North America

CONTENTS

QUICKSHIP PROGRAM OVERVIEW ... 4

TOTAL THICKNESS INFORMATION ... 5

QUICKSHIP EXPRESS ... 6

Products that can be shipped within two days are sorted by color, then classed by price within each color section.

QUICKSHIP ... 18

Products are sorted by color, then classed by price within each color section. (Swatches marked with QE2 are QuickShip Express products that can be shipped within two days. Swatches marked with Q10 are standard QuickShip products that can be shipped within 10 days:)

PRODUCT CATEGORY ... 48

Products sorted by platforms are marked Q10 (for 10-day standard QuickShip shipment) or QE2 (for 2-day QuickShip Express shipment). Individual collections are arranged alphabetically within each product category.

QuickShip Program Overview

Tarkett's QuickShip and QuickShip Express programs do more to simplify and streamline the jobs of dealers, architects, designers and others. By offering a curated selection of soft-surface and LVT products, as well as wall-base products and MetalEdge® Transition finishing accessories, Tarkett provides a single source for all flooring surfaces needed to complete a project—and quickly prepares orders for shipment.

Our QuickShip Express program ships surfaces in only two days. When a broader range of options is desired, our standard QuickShip program ships products in 10 days or less.

Key to QuickShip Express and QuickShip Icons:

QE2 = QuickShip Express products (ready to ship within 2 days*)

Q10 = QuickShip products (ready to ship within 10 days*)

Minimum/Maximum Ordering Quantities:

QuickShip

QuickShip: Modular/Powerbond®

- Minimum: 1 carton
- Maximum: Up to 2500 sq. yds.
- ethos® Modular with Omnicoat Technology®, Powerbond Cushion RS, or Powerbond Cushion
- Ready to ship in 10 business days

QuickShip: Woven

- Minimum: 5 sq. yds.
- Maximum 1000 sq. yds.
- Crossweave® backing
- Ready to ship in 10 business days

QuickShip Express

QuickShip Express: Modular/Powerbond

- Minimum: 1 carton
- Maximum: Up to 1500 sq. yds.
- ethos Modular with Omnicoat Technology, Powerbond Cushion RS, or Powerbond Cushion
- Ready to ship in 2 business days

QuickShip Express: LVT

- Minimum: 1 carton
- Maximum: up to 2500 sq. ft.
- Resolve (Stone)
- Resolve (Wood)
- iD Latitude™ (Stone and Abstract)
- iD Latitude (Wood only)
- Ready to ship in 2 business days

QuickShip Express: MetalEdge Transition

- Minimum: 1 piece
- Maximum: 10 pieces**
- Ready to ship in 2 business days

QuickShip Express: Wall Base

- Minimum: 1 carton
- Maximum: 10 cartons
- Ready to ship in 2 business days

*Pending credit approval.

**Note: ME004 maximum is 30 pieces.

WELDED ALUMINUM

Powerbond® Carpet Backings

Powerbond hybrid resilient sheet flooring is a heterogeneous construction of nylon and an innovative closed-cell cushion, fused together through heat and pressure to create an integral, inseparable covering.

With installations that have performed for more than four decades, Powerbond has won numerous awards for design and performance—and offers unique attributes perfect for any commercial interior.

Luxury Vinyl Tile

Offered across a range of patterns, colorways, quality levels and installation formats, our luxury vinyl tiles (LVT) and planks offer endless layout possibilities for complete design freedom. Easy-to-maintain LVT surfaces withstand heavy traffic, and Tarkett's proprietary Techtonic™ coating on iD Latitude® offers greater resistance to scuffs, scratches and stains—providing an inspired solution for any space, in any segment.

iD LATITUDE™

Construction: Solid Vinyl Floor Tile (Abstract: 6" x 36"; Wood: 6" x 48"; Abstract, Stone and Concrete: 18" x 18")

Format Type: Tile, Plank

Pattern Type: Abstract – Stone, Concrete; Wood – Modern Wood, Vintage Wood, Wood; Abstract – Linear

Total Thickness: 0.120 inch

Wear Layer Thickness: 20 mil

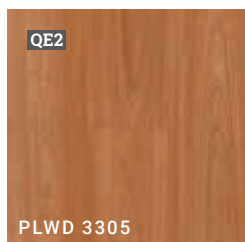

Finish: Techtonic™

Edge Treatment: Square Edge

Wall Base and MetalEdge® Transition Finishing Accessories

Tarkett accessories help to complete any space's look and function, with wall base products (specifically designed for the area between the wall and the floor) and MetalEdge finishing accessories, carefully engineered to provide unobtrusive solutions for floor covering transitions.

MetalEdge®

Styles: ME001 - 0.130" (3.30 mm) to 0.255" (6.48 mm), LVT to Carpet
 MET02 - 0.130" (3.30 mm) to 0.189" (4.80 mm), LVT to Carpet
 ME003 - 0.375" (9.5 mm) to 0.25" (6.35 mm)
 ME004 - Subfloor Leveler

Length: ME001, MET02, ME003 – 12'; ME004 – 4'

CONSTRUCTION OPTIONS

Powerbond® Cushion (RS* or Non-RS) – A hybrid resilient sheet floor-covering. Overall product contains significant recycled content, including postconsumer recycled content. Benefits include: superior performance in extreme traffic, energy savings (good thermal attributes), reduced slip/fall injury, excellent acoustic control and wall-to-wall impermeable moisture barrier, plus lifetime limited warranty.

ethos® Modular with Omnicoat Technology® – An application of a proprietary coating to the backing of ethos Modular. Omnicoat Technology provides an excellent chemical barrier, thus preventing any interaction between materials in the backing and the wide variety of components found on and within the flooring substrates.

*RS is a peel & stick installation method. It is the lowest VOC adhesive system in the industry.

Crossweave® Woven technology was engineered for exceptional long-term performance. Tarkett's Crossweave looms weave pile and backing yarns together to create one integral unit. Pile yarns are interlaced to provide woven carpets' famous resistance to delamination and yarn zippering. Every woven broadloom is constructed and crafted with superior performance features, including exceptional seaming properties and dimensional stability, plus a 15-year warranty.

Luxury Vinyl Tiles and Planks — Featuring a broad range of patterns, colorways, quality levels and installation formats, our luxury vinyl tiles and planks give you endless layout possibilities. As well as offering complete design freedom, our easy-to-maintain LVT products withstand heavy traffic, providing extra resistance to scuffs, scratches and stains.

Please contact your Tarkett account executive for more information.

Doing Good. Together.

	Backing Systems	Lifetime Limited Warranty	Rollability	100% Closed-Loop Recyclable	Seams	Moisture Management	Installation	Recycled Content
MODULAR	ethos® Modular with Omnicoat Technology®	•	Excellent	•			TarkettTAPE™ Direct Glue	•
	Powerbond® Cushion	•	Good	•	Impermeable	Impact 0 @ 10,000	Peel & Stick Direct Glue	•
LVT	LVT	•	Excellent	•			Direct Glue	•

Rollability is the ability to move (or roll) pieces of furniture such as chairs or beds on flooring. Moisture penetration by impact at seams @10psi. No penetration after 10,000 impacts impermeable seams.

*Minimum recycled content certified by Scientific Certification Systems (SCS) and varies by product style.

**Cradle to Cradle Certified is a certification mark licensed by the Cradle to Cradle Products Innovation Institute.

All products phthalate-free; does not contain PFAS or antimicrobials.

Visit us on Ecomedes (tarkett.ecomedes.com) to find product documentations such as LEED® LBC, WELL, Green Globes® Rating Systems and Federal Standards. Tarkett offers Environmental Product Declarations (EPDs) for all products.

At Tarkett North America, we believe that together, we can make a positive impact on people and the planet. That's why we're Doing Good—Together, connecting our sustainability efforts with what our customers value and our world needs. It's an active, living commitment to create a future where people and the planet prosper in balance. Where sustainable flooring solutions don't just perform. They inspire.

Cradle to Cradle® certification guides our eco-design approach on the basis of five criteria: material health, product circularity, renewable energy and climate requirements, water stewardship, and social fairness.

One example of Tarkett's commitment to eco-design is our Eco-Ensure® technology: a fluorine-free, PFAS-free soil protection that comes standard on every soft surface product we make. Certified Cradle to Cradle Platinum, Eco-Ensure is helping to safeguard the health of both our planet and its people.

Creating phthalate-free, low-TVOC resilient products helps us stay aligned with the Cradle to Cradle design principles of health and wellness.

Finally, Cradle to Cradle (along with circular economy principles) has helped us assess our positive and negative impacts upon the environment and people's health.

Through this process, we have: reduced our energy use; converted factories in Ohio, Sweden, and Italy to renewable energy; utilized recycled materials in our products to reduce their carbon footprint; and offset the remainder of our footprint by partnering with global projects—including reforestation of the Peruvian Amazon. Through our support of the Tambopata National Reserve and the Bahuaja-Sonene National Park, we've helped to protect nearly 1.5 million acres and restore 10,000 acres—an action expected to avoid over 4 million tons of carbon emissions by 2021.

We are often asked to simplify our sustainability story. The truth is that making a positive impact on our world and its citizens is not so simple. Reducing the use of fossil fuels and incorporating recycled materials into our products can pose challenges, but Tarkett is working hard to make these improvements—because we value your health, and that of our environment. In our ongoing efforts to promote sustainability, achieving carbon neutrality is just one more step toward creating a better world.

**DESIGNING
FOR LIFE**

Developing products based on Cradle to Cradle principles that contribute to people-friendly spaces AND respect the planet's natural capital.

**CLOSING
THE LOOP**

Building a circular economy inclusive of programs and business models that encourage take back, reuse, recycling and elimination of waste.

**DRIVING
COLLABORATION**

Inviting others to join us in Doing Good through education, collaboration, transparency and communication.

QuickShip Product Index by Collection

This index lists all products available through QuickShip (10-day shipping) and QuickShip Express (2-day shipping). For more information, visit tarkettna.com/quickship.
